Suggestions from Student Senate Committees 2/22/17

Install more solar panels or wind turbines
Install double doors where possible
More fuel efficient buses
Insulated windows
Delete athletics

Processes

For some jobs, students have to interview in two places—at Union and then in a particular dining room.

Having to go to multiple offices to get forms signed and turned in.

Adopt common scholarship application form. Pain in the neck and very time consuming to look up and apply for each scholarship.
