OLD BUSINESS
Provost's Response To FSRR Articles VI And VII

Torrance asked Molly Mulloy to update members on the Provost's objections to the amendments to the FSRR 6.6 and 7.3 passed by Faculty Senate and sent to the Provost in the fall.

Mulloy noted that on 3/5/2013, FacEx discussed the Provost's objection to inserting the word "explicitly" in FSRR 6.6.2 and 6.7.3 and recommended the alternative language shown below in bold/strikeout fonts. FacEx agreed that its substitute language should be sent on to the Faculty Senate for approval and then forwarded to the Provost/Chancellor for final approval.

6.6.2.1 A request for information shall specify the information sought and the reasons for the request. If the request is based upon a negative preliminary vote, it shall so state and explicitly describe the reasons for the negative recommendation. The candidate shall receive clear notice of the fact he/she is at risk and enumeration of the reasons for the negative recommendation.

6.7.3.1 A request for information shall specify the information sought and the reasons for the request. If the request is based upon a negative preliminary vote, it shall so state and explicitly describe the reasons for the negative recommendation. "...the candidate shall receive clear notice of the fact he/she is at risk and enumeration of the reasons for the negative recommendation."
