RE:     Notification of Proposed Amendment to University Senate Rules and Regulations Article X

The proposed amendment USRR X will be discussed at the University Senate meeting on February 23, 2017, and voted on at the meeting on March 9, 2017. (A vote may be taken on February 23, 2017 if two-thirds of the members present vote to take a vote on the amendment). Both meetings will be held in Room 203 Green Hall (Law School) at 3:30 p.m. The meetings are open to members of the University community.

Interested persons may submit written comments on the proposed amendment to the Office of University Governance (email: govern@ku.edu) by noon on Thursday, February 23, 2017. Please note that proposed changes to the University Senate Rules & Regulations are required to be sent to all faculty, staff, and students, but no action is required on your part unless you wish to submit a written comment.

Please contact me (jarring@ku.edu) if you have any questions about this amendment.

Potential Amendment to University Senate Rules and Regulations Article X
(Regarding Request for University Provided Insurance Covering Gun Related Injury or Death)

USRR Article X

Because Students, Faculty and Staff of the University of Kansas are entitled to a safe workplace as described in the Workplace Violence Policy, the University of Kansas shall provide "Adequate Security Measures" as prescribed by K.S.A. 75-7c et. seq. in their places of study and work or, if they are asked to be in buildings on campus which lack Adequate Security Measures, the Faculty, Students and Staff of the University of Kansas shall be provided with, as a term of their employment or enrollment, an insurance package to be paid by the University, covering:

• Death and/or injury resulting from weapons-induced incidents on campus;
• Long-term disability insurance resulting from weapons-induced incidents on campus;
• Lost-wages insurance resulting from weapons-induced incidents on campus covering the entire span of any and all disabilities induced by said incident up to projected age of retirement.
