

Suggestions from Student Senate Committees 2/22/17

Install more solar panels or wind turbines

Install double doors where possible

More fuel efficient buses

Insulated windows

Delete athletics

Processes

For some jobs, students have to interview in two places—at Union and then in a particular dining room.

Having to go to multiple offices to get forms signed and turned in.

Adopt common scholarship application form. Pain in the neck and very time consuming to look up and apply for each scholarship.
